Dated: Shillong, the 30th April, 2024

Office Order

Sub-Sample Ground Truthing of 2024 Plantation Plots

It has been decided that, for verification of the accuracy of selected plantation models for 2024 plantations there will be sample ground truthing of the 10% plantation plots selected and confirmed for raising plantations in 2024 by SPMU verticals and DPMs.

The data of ground truthing shall be collected through MIS Forms in AAPVERSE. The Form name is "M and E Plot Inspection". This has already been assigned by the MIS Team, SPMU to the concerned officials.

Sample plots selected for ground truthing is annexed at Annexure-1.

Person-wise block assigned and the number of plots to be verified is annexed at Annexure-2.

All concerned are directed to verify the following during the ground truthing exercise in the VPICs

1. Density class of the plots taken for 2024 plantations
2. Model of Plantation chosen for that plot whether correct or not as per the density class
3. If not, Model of plantation for that plot as per density class
4. Good Community nursery is there in the village or not
