Ref- No. MBDA/JICA/2023/72 (DDFS File No.)

Office Order

Sub- Final survey of 2024 plantation under MegLIFE

The plantation activity of the MegLIFE project for 2024 has been completed. A preliminary survey of the plots was conducted earlier to execute advance action, staking-out, pitting, and planting etc. It is time to conduct the 'Final Survey' in the 3rd and 4th week of September 2024 in the plots where the plantation was done.

2. In this connection, the list of surveyors is shared in google sheet which indicates the allotment of VCFs for conducting the final survey in the project villages. They are different from the VCFs who have conducted the Preliminary survey. All the designated VCFs are directed to conduct the final survey of the plantations of the villages allotted to them and submit the final GPS survey reports by affixing their signatures and submit through the respective BPMs. Concerned BPMs shall countersign and submit to SPMU through DPMUs.

3. All financial adjustments (either shortfall of areas or excess areas) shall be made according to the final survey areas. However, the check survey should be conducted by the concerned GIS person of BPMU in case of any confusion in areas surveyed by VCFs.

Following is the Google Sheet Link for List of Surveyors-
